WHERE

The Maritime Museum
634 Humboldt St H100,
Victoria, BC V8W 1A4

Tuesday, May 28, 2019

2pm – 4pm

We will meet at **VIRCS at 1:20pm**

1004 North Park Street, Victoria, BC

****Seats are limited.**

Required registration

Bring the tranquility of the beach back home by creating your own beachy terrarium at the Maritime Museum of British Columbia!

Our workshop leader will teach you the knotting techniques of macrame, before guiding you through the process of filling your glass terrarium with locally sourced materials, all the while connecting each piece to stories and histories of local areas around Vancouver Island.
