Youth Night and Special Events

Wednesday, April 5th: Pizza and Music Bingo Night

We will be meeting at the *Flipside Space* at the *Pearkes Recreation Centre* from **6pm to 8pm**. The space will be open to play pool, foosball and table tennis. Tonight we will be having a pizza party and playing music bingo!

Wednesday, April 12th: Minute-to-Win-it Night

We will be meeting at the *Flipside Space* at the *Pearkes Recreation Centre* from **6pm to 8pm**. The space will be open to play pool, foosball and table tennis. Everyone will be getting into groups, and working together to complete tasks within under a minute. For example: You will have 1 minute to use your chopsticks to pick up uncooked rice, one-by-one, and move it to a different dish!

Wednesday, April 19th: Photography Night

We will be meeting at the *Flipside Space* at the *Pearkes Recreation Centre* from **6pm to 8pm**. The space will be open to play pool, foosball and table tennis. We will be having a professional photographer coming in to teach us about photography. If you have a camera, cell-phone, or I-pad bring it with you. If you don't, we can get people into groups to share cameras.

Wednesday, April 26th: Science Experiment Night

We will be meeting at the *Flipside Space* at the *Pearkes Recreation Centre* from **6pm to 8pm**. The space will be open to play pool, foosball and table tennis. We will be doing different science experiments tonight! If there is something you want to do, let me know in advance!
